

EXTRA PARTS FOR EXTRA FUN!

This set contains several Meccano parts in addition to those necessary to build the models shown in the instruction book.

They have been carefully chosen to give you an opportunity to experiment with different types of construction.

This leaflet shows five examples of models which use these extra parts in a variety of ways - just to start you thinking!

1. SPACE ROCKET & LAUNCHER

2. TOWER CRANE

3. FIGHTER PLANE

4. MINE RAILWAY
